### From Fr. Peter's Desk 28th Sunday In Ordinary Time

Dear Parish Family:

In our First Reading from the Book of Wisdom, we hear that genuine continuous prayer gives us the spirit of wisdom and insight into what God wills for the good of all. We are called to prudence, care, and thought for the future.

The reading from Hebrews reminds us that God's word is true, but nonetheless sharp-sharper than any double-edged sword-such that it cuts to the depths of our hearts. We are being called to more than we could ever imagine-eternal life through our faithful action in the world.

Today's Gospel, according to St. Mark, recounts Jesus's encounter with a questioning man. With love and compassion, Jesus challenges the man to keep the commandments and even more, to live in service to the poor and marginalized. Jesus sets the bar high with the well-known image of a camel traversing a needle's eye. The rewards of such a high bar, however, are profound: dwelling in eternal union with God.

My brothers and sisters in Christ, today's readings challenge us to seek wisdom and blossom with her gifts. In our often-busy lives, we can sometimes lose sight of God and lack in serve to Him. What can we do each day to invite God into those moments when we might lack wisdom of heart? Let us ask the Lord to fill us with His love so that we can serve His sons and daughters, our brothers and sisters, with the same love that God shares with each of us.

*God Bless You Always,  
Fr. Peter*

### Stewardship Reflection

In today's Second Reading and Gospel, we are reminded to put an effort into living out our faith.

### Living Stewardship

The Christian life calls for sacrifices in the way we live. God is loving and wants us to be close to Him. However, we will often fall short of living a faithful life. When we fall, He invites us to confession. This week, do something to grow in your faith and build upon that each day.

DIOCESE OF ROCKVILLE CENTRE  
OFFICE OF THE BISHOP

September 23, 2024

Dear Brothers and Sisters in Christ,

At this year's general election, New York voters will decide whether to approve a proposed amendment to the State Constitution. Officially known as "Proposal One", the amendment would add new language to the State's version of the "Bill of Rights" that, if approved, could insert gender ideology into child and adult sports, schools, hospitals, and even our churches.

The proponents of Proposal One refer to it as the "Equal Rights Amendment" and claim that the amendment is intended to protect the right to access an abortion. Proposal One, however, does nothing to ensure "equal rights" nor does it have anything to do with the legality of abortion in New York.

Since 1938, the State Constitution has guaranteed the right to the equal protection of the laws and has barred discrimination against any individual by a public or private institution based upon "race, color, creed or religion." Now, eighty-five years after the adoption of the Constitution's prohibition on discrimination, the State Legislature has discovered that we need an "Equal Rights Amendment" that ensures a "right" to an abortion in New York.

New York's abortion laws are already among the most permissive in the nation. Proposal One does nothing to alter the abortion laws or to further liberalize them. In fact, the word "abortion" does not appear anywhere in the proposed amendment. New Yorkers who vote in favor of Proposal One because they believe it will provide additional legal guarantees related to abortion are victims of a misleading campaign that masks the true purpose of the amendment.

Voters need only to read the language set forth in Proposal One to learn its actual purpose and to discern its potential for harm. While they will find no mention of abortion, voters will discover that, if adopted, Proposal One would prohibit discrimination based upon "gender identity" or "gender expression." This language would transform the laudable and longstanding anti-discrimination article in the State Constitution into a legal weapon that would force institutions across the state—public and private, religious, and secular—to accommodate the most radical forms of gender ideology.

Under this language, for example, a CYO girls' basketball team, or a local girls' soccer club, could be forced to allow a biological male to participate on the team if he wishes to do so because of his "gender expression." To bar such a person from the team would constitute an act of illegal discrimination.
